## Finding and Creating Self

Recently I ran into a bumper sticker that said, “Don’t find yourself, create yourself.” As someone who values finding myself, I found myself arguing with it. I have found that looking in and discerning what is already going on in me is often a helpful process. For instance, if I am struggling with doubts, I look inside and find the voice of faith within and then let that speak more loudly. The same finding myself process works for other things like deciding what I might want to do with my spare time. I can take some time and look in and notice my wants and needs and make choices accordingly. I may realize I need alone time or I may find that connecting with friends would be helpful. Finding oneself is often a good choice.

I would agree that creating yourself can be helpful too. God has created us to be creative. But I find my family history, personality and social context can be very determinative of who I am. I can get in ruts. Nevertheless, there is room to create myself by thinking and acting in new ways. For example, a long while back, I remember how impressed I was that another pastor was leading a small group in a hike up Pikes Peak. It seemed like such a long distance with a big elevation gain. When someone invited me to join them hiking up Pikes Peak, I went along and did just fine. Eventually I started hiking other 14ers and entered the Pikes Peak Ascent. Creating oneself begins in thinking in new ways and then taking action. An important ingredient in this is having people to encourage and support you.

We wisely look both to find ourselves and create new possibilities. I think this is true as a congregation as well. We both look back at our history and values and look forward to new possibilities that help us create ourselves. I believe this is largely what we are about as a congregation in our Purpose Mapping with Kristin Wiersma. Up to this point, we have largely been finding ourselves by thinking about our history and reflecting on our values. We will eventually get to doing some creating

of where we want to go. That is when we make decisions around what we need to change to move ahead. To that creative end, I would invite you to pray for the Holy Spirit’s leading and encouragement. To that creative end, I would invite you to engage in conversations and activities around our Purpose Mapping and visioning.

Pastor Dan

## News from Our Nominating Committee

Ascension needs your help to keep our Christian education, worship, property, billing and so forth dynamic and active. We understand that God calls each of us to a variety of things and part of our call is to serve in and through our faith community.

To that end, our nominating committee is making calls right now and asking people to consider serving. Please prayerfully consider their ask. Also, if you need to say no to one area, be open to consider another. Remember our core statement that we are “A Community of Grace, Called to Serve.

If you would be willing to discuss how you can serve and what that means in terms of commitment, please contact me at (719) 332-5390 or [ayenbill@gmail.com](mailto:ayenbill@gmail.com). Bill Ayen, Chair, Ascension Nominating Committee.

# CHURCH COUNCIL

The April 10 CPC meeting included the following actions and discussions:

- Pastor Dan Holt led devotions and talked about St. Paul and how God changed his life when he was called. He discussed our calling and what is the cost of discipleship. Answering the call to serve is worth it because it gives us a chance to grow in our knowledge and relationship with Jesus Christ as Lord.
- Board Directors gave brief updates on current activities and future plans heading into the summer.
- Pastor Daniel noted the video of sermons will soon be posted on our website. The sanctuary aesthetics team has reformed and is looking at new paraments.
- Pastor Dan talked about working with the nominating committee filling positions.
- Greg Gulliksen gave an update on the sanctuary upgrades. The gypsum board work, painting, window tinting, and shades are all scheduled to be completed in the month of April. The board of worship had looked at additional carpet samples. The board will decide on what carpet to go with in May. Carpet will be replaced in July.
- Greg Gulliksen gave an update for Donna Crump who was out of town. Greg noted there would be two Sunday mornings of Community Panel discussions during the adult education time between services. Greg encouraged all CPC members to attend the Leadership Summit and Debrief on May 19. Kristin will give feedback to the CPC on the 19<sup>th</sup> and will discuss the findings during the adult forum on May 20.
- Rex Rudy discussed the financial Administrator position. Council voted to approve working towards hiring a consultant to be a financial administrator for the church. Rex will get with his committee and research different options for a financial administrator and come to the May CPC meeting with a recommendation.
- Pastor Daniel Smith led closing with prayers and the Lord's Prayer.
- The approved minutes of recent meetings are posted on the kiosk in the Fellowship Hall and are available in electronic format from the church office.

## Organ Evaluation Committee

About three months ago, the Ascension Worship Board formed an Organ Evaluation Committee. The Introduction to their Charter states: *Since it has been determined that having an organ is essential to worship and special music at Ascension Lutheran Church and since there has been significant discussion about the quality and value of our current instrument, the Worship Board of the church has formed an Organ Evaluation Committee.*

The Organ Evaluation Committee has been asked to first determine what would be required to get our current organ in better working order and keep it maintained...and if that is even economically and technologically possible. Second, they are being asked to determine what might be the options for replacement.

The committee has been busy looking at the well-documented history of our organ and getting third-party opinions on the quality, usefulness and value of our current instrument. They have also been going to various churches in the area to listen to replacement options including new and used electronic and pipe organs.

The Organ Evaluation Committee will be giving a Temple Talk on Sunday, May 6, followed by some educational demonstrations by Ascension organist Teresa Kissling.

The Organ Evaluation Committee is chaired by Jim Melzer and is made up of Cheryl Johnson, Gail Tucker, Dan Oltrogge, Megan Miller and Teresa Kissling. We're certain they'll do a great job and thank them for their work.

## WOW

We are five months into the year, we've had winter, spring and summer so far. It will be interesting to see what the rest of this month will bring [I am so confused]. But I do know if I don't have my vegetable garden well on its way I won't get a full harvest before it starts to freeze again. [Hard lesson learned]

Ancient times set aside the fifth month and focused on fertility, of new life and new beginnings. Not a bad idea, we have just completed the celebration of the resurrection and ascension of Jesus. This would be a good time to find a "new focus", a new beginning of an element of our life or journey in our life. Perhaps something that would grow into the summer and be a harvest of joy and satisfaction in the fall. It can be something as simple as making a new friend or finishing that bible study on your book shelf and then sharing it with your family. Summer has a tendency to see our community scatter to the four winds on that special vacation. We see fewer people in the chairs on Sundays. This isn't a bad thing, it is what it is and those special vacations can fill our lives with happy memories of "summers with family". I sure have some of those. But [there is always a "but"] keep an eye out for something new to start or set in motion towards that joyful harvest in the fall.

May also has some special celebration days, Mothers' day is May 13<sup>th</sup>, Teachers' appreciation day is May 8<sup>th</sup> and my very favorite celebration is NATIONAL NURSES WEEK MAY 6-12<sup>TH</sup>. And last but not least is Memorial Day May 28<sup>th</sup>.

Celebrate life in every month and see what blooms! Sara Petz

The first woman I helped happened to be deaf and I felt as if I couldn't help any, as I only knew the alphabet in sign language. However, when she asked me my name, through an interpreter, I signed my name to her and her face lit up! I helped her for the next hour shop, and she was happy. I'm excited for Houston...and spending more time with friends from church and learning how 30,000 other people worship and live through God.

Ask me about...clarinet adventures!

## Connecting Ascension Riders and Drivers (CARD) Program

A few months ago, the daughter of one of our senior members approached me to see if our church had a ride sharing program for members without cars. Her Mom could no longer drive, but she still lives at home and needs rides to doctor appointments, grocery stores, church, etc. The daughter lives out of town. I was sorry to say that we didn't have a ride sharing program at Ascension, but that we would start one up. As a result, the Board of Lay Ministry is connecting people who need rides with drivers who have some spare time. If you are in need of rides or are interested in providing rides, please contact John Hayes at (719) 572-1052 or at [blazehayes@aol.com](mailto:blazehayes@aol.com). Drivers would need to use their own cars and have their own auto insurance. *We are now providing rides for three of our members.*

## Notes from the Music Room

As we enter May, we are reading about the actions of the early church and the Holy Spirit. During this month, choir will be singing several pieces in a Gospel music style. I think that most of us would say that we know Gospel music when we hear it, but what is it? Gospel music developed in the mixing pot of the United States when illiterate European and African worshipers met beginning in the 17th century. Both had traditions of call and response in their singing. In Scotland, it was known as "lining out" when the Presbyterian congregation would sing verbatim the line of music the leader had just sung. When this came to African-American churches in the Carolinas, this basic repetition was quickly filled out with ornamentation and harmonization. Think of the people you know who aren't "musically-trained" but can make up Bluegrass harmony parts or imitate Whitney Houston's flowery ornaments. Often words and music would be repeated with the leader singing new words and music in between choruses or even on top of this chorus. Clapping and stomping also went along with the singing, since many churches did not have instruments until decades later. Though existing hymns were often sung adapted into this new style, Spirituals developed as powerful songs to connect African-American experience with their Christian faith.

The term "Gospel Song" didn't appear until the 19th century, when it referred to the new repertoire of music that had developed out of this mix of European and African traditions. In both black and white communities, the revival movement really spread the style, so gospel songs were written to be more tuneful, easily-sung, and full of spirit than some older church hymns. As the Pentecostal movement grew, it carried Gospel music with it, and brought popular instruments into it. In the 20th century, it continued to develop within Pentecostal and African-American churches, but also became a popular art form as it went out on records and into the airwaves with groups like the Fisk Jubilee Singers, the Carter Family, and later Mahalia Jackson and even Elvis Presley. Gospel Music continues now, with many sub-categories, but the fundamentals remain: it is singer and chorus dominated; features more lively rhythms than many hymns; and is grounded in the personal feeling of the believer. Can I get an Amen?

Soli Deo Gloria! Megan Miller

## BECOME INVOLVED...

**\*\*Ascension's Free Pantry:** Remember to pick up groceries for the pantry when you do your own grocery shopping. They can be placed directly in the pantry outside the CLC or in the cupboard in the Fellowship Hall. It's making a difference.

**\*\*Coffee Hour – Smell the Aroma!** Please help keep the coffee hours going by signing up to host a Sunday morning Fellowship Hour! All directions for coffee making are in the coffee station, or just ask for assistance. One or two people is all it takes, and you are so appreciated! See the sign-up sheet on the Kiosk in Fellowship Hall.

**\*\*Prayer Ministry** – as we pray for people it helps us to have updates to keep us connected to the person and situation. If you have a prayer concern or would like to become a member of our Prayer Chain, contact the office, 634-1694 or [office@ascensionlutheranelca.org](mailto:office@ascensionlutheranelca.org).

**\*\*Quilts for New Beginnings** – meets every Wednesday from 9-1 in the Fellowship Hall. They spread out quilts in all phases of creation, and if you'd like to help put together quilts for a good cause, come and join us. No experience necessary, just a good heart willing to learn and participate.

**\*\*Mercy's Gate – formerly Northern Churches Care** – Pantry items and toiletries are collected in the cupboard in the Fellowship Hall. Ongoing needs: crackers, mac & cheese, oatmeal, spaghetti, corn, green beans, spaghetti sauce, tomato products, tuna, gravy, toothpaste, tooth brushes, face soap.

**\*\*Knotty Kneedlers** – We continue to make small blankets and hats and now baby burial bunting for the Indian reservations, as well as prayer shawls. If you would like to become involved in this ministry, or just want to join us for fellowship and work on your own project, we meet every Wednesday at 1pm, in Fellowship Hall. Contact Bonnie Vawter, 579-6707, with any questions.

**\*\*Terrace Gardens Bingo - Prizes and Volunteers are needed.** We call three games of bingo from 10:00-11:00AM on the third Wednesday of each month for the residents. We normally have about 15 players. We call out numbers until every player wins in each game. After they win, we help them (if needed) to the prize table where they can pick out a prize of their choice. The prizes are all donated by members of the Ascension family. We could use some of the following prizes: our #1 need is for gently used men's clothing (sizes Large and higher), then we also have a need for women's clothing (large and Plus sizes), hygiene products (body washes, lotions, tooth paste, shampoo, etc), playing cards, some small containers of ladies' perfumes, adult coloring books/crayons, and lady's jewelry. Please mark items as "Bingo Prizes" and place them in the Terrace Garden Bingo box located on the counter behind the Welcome Center. The residents really look forward to our bingo each month and it is rewarding to help them. Please contact John Hayes at 572-1052 or at [blazehayes@aol.com](mailto:blazehayes@aol.com) if you'd like to help or learn more about this Outreach program.

**\*\*Campbell's Soup Labels:** Please just cut the UPC bar code and the picture of the "point value boy" from the following products: Campbells - soups, chunky soups, Healthy Request, Supper Bakes; Pepperidge Farm, Spaghetti-Os, Swanson, V-8 beverage caps and Prego Spaghetti Sauce. Thanks for continuing to collect these to help the people with disabilities.

**\*\*Pop can tabs** help the Ronald McDonald House. They may be placed in the container in the cupboard in the Welcome Center.

**First Quarter Finances:** Total revenue through the end of March was \$17,406 below our budget, but slightly ahead of the same quarter last year. After surging at the end of last year, general fund giving dropped to \$2,000 less than last year and 92% of our budget. CLC tuition was also lower than expected at 89% of budget. Expenses were 93% of budget, leaving us with a small deficit for the quarter, which can be attributed mainly to large expenses for the National Youth Gathering coming up in June. Capital Campaign offerings reached 93% of total pledges and giving us the cash to pay for improvements to the sanctuary.

**VOLUNTEERS NEEDED!**

Is organization and coordination one of your gifts? The Worship Board is seeking scheduling volunteers to coordinate some of the tasks involved in making our worship services run smoothly. Typically, these duties are schedule 3 to 6 months at a time. The coordinator contacts the list of volunteers via email, asking what dates they are (or aren't) available. The assignment list is then sent to those volunteers and the church office.

Scheduling volunteers are needed in the following areas:

- Lectors
- Communion Assistants
- Greeters

**BECCA KNOCHE, Age 16—Sand Creek High School**

Favorite Artist? Shawn Mendes – I bought his CD and have loved all his music since.

Greatest Strength? Being a leader – I am in many clubs that push me to step-up and lead people in a positive and compelling way.

When I'm bored I...I like to read.

I wish I knew how to...snowboard.

Life Motto? Sometimes you gotta live life on the wild side.

A time I felt close to God....When I transitioned into being a 'single child' after my sister went to college. God helped me feel less lonely.

I'm excited for Houston because...I can't wait to do the service project and experience Houston culture.

**ANIKA HAGEN, 17 years old, Junior at Coronado High School**

Favorite Artists? Watsky, Jon Bellion, and Ed Sheeran. The first two I heard about from my friend Tyler and Ed Sheeran I had heard on the radio and fell in love.

Greatest Strength? Being able to be flexible with plans and with different people.

When I'm bored I...usually either listen to music or play music on my guitar or ukulele.

I wish I knew how to...play as many instruments as possible. I especially want to be able to play the piano with ease. I'd also really like to be able to skateboard.

Life Motto? Enjoy the present moment and just live for now. I think it's important not to focus on the past but instead just have fun right now.

A time I felt close to God...I always feel close to God whenever I visit Rainbow Trail Lutheran Camp. Especially when we gather around and sing songs of worship together. The world seems to stand still and it's just us and God.

I'm excited for Houston... because I get to be a place surrounded by a bunch of fellow high school Lutherans and to just have fun with them.

**Youth and Sunday School News**

“This Changes Everything” is the theme for this year’s ELCA Youth Gathering in Houston. “We want youth to understand the love that God has for them, just as they are, and that by grace, through faith, they have been saved. When young people claim this reality, it indeed changes everything!”

In just over 2 months, 17 youth and adults will leave Ascension for a week to see how we can make this happen. We thank you for your help in getting us there financially. We are getting closer to our goal. Each of the youth have decorated a jar to collect change - in hopes that each coin will help them to see the changes in their lives - and help them closer to their financial goal. If you have some change to spare, please place in the jars! We are looking for “Faith Share” partners, those willing to give a little more, as well as “Prayer” Partners, those willing to pray for the youth and adults as they go on their journey. See Kirsten Johnson, Kim Knoche or Mary Stoneback if you are interested in any of these opportunities! Thank you!

**Sunday School Finishes May 20**

Can't believe the school year is coming to a close! Our last day for Sunday School is May 20th. We have truly enjoyed working with your children. A special thank you to all that have helped especially our teachers: Sarah, Emily, Elizabeth, Lisa, and Jake. Music is a crucial part of Sunday School so a big thank you to Jeff and Ashley. A big thank you to Parish Board of Education for their help throughout the year.

Blessings, Tina Krieg, Superintendent
